printers

The Xerox FreeColorPrinters program empowers all your efforts with the impact of color that gets you noticed.

**APPLY NOW** and if you're approved you'll get a **Xerox Phaser® 8560 color printer**, with print speeds of up to 30 pages per minute in color—**FREE!**

- Includes **network capability** and a **high-capacity** paper tray (for a total of 625 sheets).
- Access to toll-free telephone and e-mail **support for any program and technical questions.**
- A **FREE** 3-year service agreement.
- **Delivery of the printer** to your location at no charge.
- **Membership** in our exclusive online community

## Do you qualify?

- Do you settle for black and white when **you really need brilliant color**?
- Is your competition using **color printing to gain a competitive edge**?
- Are your important documents printed by outside suppliers?

If you answered **"yes"** to any of these questions, you could qualify for a **FREE Phaser® 8560 color printer direct from Xerox.\***

## All we ask of you in return:

- 1** Purchase all ink and maintenance kits for your Xerox Phaser® 8560 printer through the **FreeColorPrinters member website**. You'll find ordering very easy and convenient. **PLUS** — Members receive exclusive promotions not available anywhere else.
- 2** Submit a monthly print usage report generated by the printer. We ask you to produce at least as many pages-per-month as specified on the original program application.

**APPLY NOW** at [www.freecolorprinters.com](http://www.freecolorprinters.com)  
**After three years, the Phaser 8560 is yours to keep.**  
**That's it.** If you find the program is not meeting your needs, you can send the printer back at any time\*\*
